Leadership Development Training

Path to Membership

March 24, 2018

9:00 am - 12:00 pm (8:30 Meet and Greet)

Unitarian Universalist Church of Delaware County

Congregational growth is most easily measured in numbers – a tangible representation of how many of us there are and how we are supporting the mission and vision of the congregation. In some congregations, the decision to become a “member” is a milestone representing an individual or family passage from “visitor” to finding a more permanent place in the community. As our understanding of membership as an indicator of growth changes, many congregations are redefining membership as more of a continuing journey than a single endpoint. Congregations are finding success by creating a path that helps newcomers deepen their faith, connect relationally and grow their leadership capacity. This workshop will introduce a process to create a path that will guide individuals and families from their first visit to greater connection and engagement within the community.

Included topics: Basic hospitality practices, Multicultural welcome, The Impact of Small Groups, Family Ministry as a Growth Engine, How Service Leads to Leadership, Whose Work is it?
