

# Visionary Women 2019

***Fern received this invitation. She remembers that Maria McCabe participated in this program and found it quite powerful.***

Hi there!

I'm reaching out to you because you signed up or attended a Civil Conversation with Interfaith Philadelphia. I'd like to invite you, and the people you know, to consider applying to participate in our program Visionary Women, which is rooted in social justice, celebrating diversity, and building relationships.

The program welcomes all women, femmes, and female-identifying people of all beliefs and values. Religious as well as non-religious people are invited to apply.

We'll meet on **6 Sunday afternoons from January-June 2019** with visits to 5 faith communities in the Greater Philadelphia region, including Muslim, Quaker, Buddhist, Jewish, and Christian communities. Information on site locations can be found on our website.

Individuals in this program seek to:

- Build relationships with a culturally, religiously, and ideologically diverse group of women
- Feel empowered by learning and collaborating with emerging and seasoned female social justice advocates
- Increase their religious literacy through visits to different faith communities in the Greater Philadelphia area
- Develop a deeper understanding of their own personal identity/tradition

Women and Female Identifying Individuals ages 18 to 90+ are welcome to apply!

**Applications are due January 2nd.**
