THEME OF THE YEAR: THE GIFTS OF OUR UNITARIAN UNIVERSALIST FAITH
THEME OF THE MONTH: THE GIFTS OF TRANSFORMATION

Last week in the sanctuary we explored the story: "The Answer is No", a story about decision making, adaptability and how the answer to a question can be "No", "Yes" or "Under Construction". Many thanks to those who helped to tell the story.

During March, the theme of "The Gifts of Transformation", has us considering various ways in we and the world around us is transformed. The transformation of a caterpillar into a butterfly is most familiar, and we liked getting to know the Mixed Up Chameleon by Eric Carle. We hope that you are enjoying the butterfly magnets and stickers that were shared last week.

This Summer at a UU Camp or Conference Center

There are Unitarian Universalist Camps and Conference sites all over the country. I invite you to explore these sites and find out which multi-generational location and experience might be perfect for you and/or your family this summer. Some of the programming is for adults, some programming is for kids, and some sites have multi-generational programming. . .something for everyone!

Here is the link to the sites: Camps, Retreats, and Conferences | UUA.org Some of these camps are a short drive away. Questions about our camps and conference centers are welcome. If you have been to one of our camps, please send me an email. In coming weeks, I will share your stories with others.
