

Hospitality – So Much More than Coffee!!

Hospitality team members, which means ALL of us, friends and members alike, provide basic support for service activities on Sunday mornings. We greet before service, welcome visitors and give them a name tag, ring the bell, usher, provide food, do set-up and clean-up in Fellowship Hall. We now have a firm tradition of participation with the monthly teams. New members and friends are assigned to teams so they can integrate into the life of the community.

2017-2018 ORGANIZATION

Dot F. will continue her stellar support of all teams by continuing making coffee and doing preliminary set-up. Isa Rieser often assists.

Steve W. will participate by assisting each team with second Sunday potluck. He oversees serving, makes sure all the food is heated and on the table when service is completed.

Peter J. will continue with closing activities.

New Team coordinators are Barbara P., Annabel G. and Bridget M. Thank you for volunteering! They will contact team members to get a good line-up of participants each Sunday. When your team service comes up, please respond to their e-mails.

TEAM MEMBER RESPONSIBILITIES

- Most team members bring food for coffee hour during their service months, as they are able. Nothing elaborate is required, although some teams like to provide lots of food.
- Every second Sunday is pot-luck, when all attending bring food as they are able. Sharing a meal together enhances our friendships.
- When contacted, let your team coordinator know your anticipated absences and your preferred work slots. Then watch for your assignment.
- Although some will over-see clean-up, this is really a team responsibility. If possible, please pitch in with putting away chairs and tables, cleaning and folding table cloths, cleaning the coffee/tea service area, passing the cold drinks into the kitchen, etc. Many hands make this faster and easier for all.

Thank you all for your participation. It does take the whole community to keep these efforts running so very well. Please contact Annabel G. with any concerns.

Team assignments for 2017-2018 are listed below. These will also be posted on the bulletin board in Fellowship Hall. Your coordinator will be contacting you about 2 weeks before your rotation comes up.
