## **Joys and Concerns**

### **Leslie FS to Everyone:**

I ask for healing energy for my Mom who had a little fall this week. She is doing well but she hurt her hand trying to keep up right. I am joyful however that she is still able to do a lot of the things that keep her mind and spirit young!!

### **Tim S to Everyone:**

Happy for our Daughter Arley who is starting a new role with the Camden Coalition of Healthcare Providers investigating data and looking at ways to mitigate healthcare disparities with communities of color. Sorry to see my Friend Eric Orts, a fellow UU, suspend his run for Senator of PA. Hopefully he has started a movement to more awareness of climate change

### **Elisa to Everyone:**

Waiting for the day when we can all be in the sanctuary together.

### **Fern C (she, her) to Everyone:**

Welcome to members of the Pennsylvania Universalist Convention attending today. We had great representations yesterday at the Annual Membership meeting: Ron, Sandy, Anne G., Louise, and Julie B. as delegates, Rev. Kin, Cynthia and me. Next fall the meeting will be hosted by us!!! Stay tuned for the fun!

### **Mary L to Everyone:**

Joy for Brendan, my eldest stepson, and his partner, Erica, on their wedding this weekend.
